Captain,

Upon the accompanying Medical Certificate, I respectfully apply for Twenty (20) days' leave of absence. For thirty two months I have been continuously in active service, and have had no leave under one,-granted for the present wound,-for twenty days by the Md. Gen. Mil. Dir. of the Mississippi; which, from debility and the cutting of communications with my home in Montgomery Co. Ky. by the late Morgan raid, I have been unable to avail myself of.

It is to compensate for this disappointment and loss that I ask this present leave.

I am not about without leave, am not under arrest nor any charges whatever. Am last paid to include May 31. 1864.

I am Captain,
Very Truly,
Isaac P. Nelson.

War Department,

Adjutant General's Office,

Washington, April 28th 1865.

Sir:

In reply to your letter requesting a Descriptive List of John Nichols, a Private in Company H, 24th Regiment Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.,

There is no Evidence on file in this Office of his muster into service in the above Co in Company ~~Regiment of~~ Volunteers, is years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the ..... day of ....., 186 , at the town of ..... in the State of ..... by ....., and mustered into the service of the United States on the ..... day of ....., 186 , at the town of ....., in the State of ..... by ....., to serve for the period of ..... years, ~~"during the war."~~

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of May & June 1864, that he was last paid by Paymaster Major Baker to the 31st day of August, 1862. Settlement of his being found on file.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

Muster out Roll of the Co, dated Jany 31/65 reports him "John Nichols Mustered into service Dec 3/61 at Lexington Ky. by S.B. Grigsby & captured near Lexington Ky, May 24/64 & was under sentence of G.C.M. to forfeit all pay from Nov 2/62, to March 29/64, and serve 16 Months in addition of his original term."

Very respectfully,

Your obedient servant,

Edward D. Townsend

Assistant Adjutant General.

(7)

To John Elliott
Lieut & Mustg Officer
Louisville Ky

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

(138)

The proceedings, findings and sentence were approved and promulgated in G.O. No. 23, Hdqrs. 3d Div. 23d A.C. June 30, 1864.

As he was convicted of desertion by a genl C.M., the proceedings of which were approved and promulgated by competent authority, the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from Nov. 2, 1862 to Feby 2, 1864 cannot however be expunged.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for pension, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Respectfully returned to the

Commissioner of Pensions,

with the information that 2nd Lt. John C. Padgett, Co. G, 24th Reg., Ky. Inf., appears to have been in arrest from June 5, 1864, to September 1, 1864, the date of the promulgation of sentence of the court-martial that he "be suspended from rank and pay for one month and to be reprimanded by his regimental commander in the presence of his regiment." Nothing has been found of record to show that he was in arrest after September 1, 1864. Suspension from rank does not involve confinement or arrest.

The date of disbandment of the 24th Regiment, Ky. Inf., has not been found of record in this office.

The Adjutant General.

24 Ky Infty

Padgett

HEADQUARTERS DEPARTMENT OF THE OHIO,
Knoxville, Tennessee, September 1, 1864.

GENERAL ORDERS,
No. 76.

I. At a General Court-martial which convened at Headquarters Army of the Ohio, in the field, near Acworth, Georgia, pursuant to Special Field Orders, No. 22, of June 9th, 1864, from Headquarters Army of the Ohio, and of which Colonel S. P. Love, 11th Kentucky Volunteer Infantry, is President, was arraigned and tried—

Second Lieutenant *John Calvin Padgett*, 24th Kentucky Volunteer Infantry.

CHARGE I.

"*Misbehaving himself before the enemy.*"

Specification 1st—"In this; that he, the said *John Calvin Padgett*, 2d Lieut., Co. G, 24th Ky. Infty., being in command of his company, and the only commissioned officer then present with the company, did, while such company was before the enemy and engaged in a skirmish, misbehave himself before the enemy by abandoning and running away from his company whilst it was engaged in said skirmish. This near Knoxville, Tenn., on or about the 24th day of November, 1863."

Specification 2d—"In this; that he, the said *John Calvin Padgett*, 2d Lieut., Co. G, 24th Ky. Infty., did, while in command of his company, and while the company and regiment was engaged in battle with the enemy, shamefully abandon and run away from said company, commanding it to retreat; this without authority from his commanding officer for such order and without any necessity therefor, and which order was disregarded, his men fighting on, and with other troops there engaged repelling the enemy. This near Knoxville, Tenn., on or about the 24th day of November, 1863.

CHARGE II.

"*Quitting his platoon without urgent necessity and without the leave of his superior officer.*"

Specification—"In this; that he, the said *John Calvin Padgett*, 2d

Lieut., Co. G, 24th Ky. Inft., did, without urgent necessity and without the leave of his superior officer, quit his guard, platoon, company and division, he being regularly detailed for skirmish and picket duty; the said 2d Lieut *John Calvin Padgett* being then in command of his company, and the only commissioned officer with it, did fail to go on said skirmish and picket duty, but did absent himself to the rear, where he remained three or four days. This before the enemy, near New Hope, Ga., on or about the 2d day of June, 1864."

CHARGE III.

"*Disobedience of orders.*"

Specification—"In this; that he, the said *John Calvin Padgett*, 2d Lieut., Co. G, 24th Ky. Inft., did, when ordered by his commanding officer to go to his Brigade or Regimental Surgeon and be regularly examined and excused from duty, or to join his company, then on duty on the skirmish line in the front—he, the said *Padgett*, complaining of being sick—which he failed and refused to do, but without the knowledge or consent of his commanding officer went to the rear and remained there for four days, and did thus remain in the rear until fighting and skirmishing in the front had ceased. This near New Hope, Ga., on or about the 2d day of June, 1864."

To which charges and specifications the accused pleaded "*Not Guilty.*"

FINDING.

The Court, having maturely considered the evidence adduced, finds the accused, 2d Lieutenant *John Calvin Padgett*, 24th Kentucky Volunteer Infantry, as follows:

Of the 1st *Specification* of 1st CHARGE, "*Not Guilty.*"

Of 2d CHARGE, "*Guilty.*"
Of *Specification* of 3d CHARGE, "*Guilty.*"

SENTENCE.

And the Court does, therefore, sentence him, the said Second Lieutenant *John Calvin Padgett*, 24th Kentucky Infantry, "*To be suspended from rank and pay for one month, and to be reprimanded by his regimental commander, in the presence of his regiment.*"

II.—Finding and sentence in the above case are confirmed. The commanding officer of the 24th Kentucky Infantry will see that the sentence is duly executed.

FINAL STATEMENT

OF

Sergt P. Pennington

24th Regt of Ky Vol I

a

VOLUNTEERS.

Date at Ton 11. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay in his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's accounts on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for both pay, &c., are settled by the 4th Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Lt. Col. Lewis Richmond
A. A. G. Army of the Ohio

Sir,

Private James W. Polly, of Co H, 24th Ky. Vol. Infty, now on detached service in Co B, Engineer Battalion, 20th Army Corps, could not draw his pay at the last payment, because his Descriptive list contained the following "Remarks":

"He deserted his Regt. Nov. 4th 1862., rejoined June "27th 1863 and was ordered to duty by Lt Col. "Hunt, Comdg 24th Ky. Vol. Infty."

Major McDowell, Paymaster U. S. A., informed me that it would require either the sentence of a Court martial or an order by the Commanding General, returning the soldier to duty, to enable him to receive his pay.

The said Polly was last paid, to include the 31st of August 1862.

I have the honor, most respectfully to request, that an order may be issued, returning the said Private James W. Polly, of Co. "H," 24th Ky. Vol. Infty, now on duty in Co "B," Engineer Battalion 23d Army Corps, to duty.

I have the honor to remain

Most Respectfully

Your Obedient Servant

That I am not indebted to the United States in any pecuniary liability. That I have not been absent without leave; that there are no Charges against me that can affect my pay; that I was last paid by Inspector to and including April 30th. 1864

Copy of Examination of Capt Patten Feby 21. 1870

Officers Hospital
Fort Mc Henry Baltimore
July 5th 1864.

Capt R. G. Patten, Co "H" 24th Ky. Vols. Inf having
applied for a certificate wherewith to procure a Tender
of resignation,

I hereby certify that I have carefully exam-
ined the officer and find that he is suffering from
Chronic Rheumatism of the back and loins & has exist-
(of fourteen years standing, as he states,); which has
been aggravated by exposure in the field.

He was admitted to this Hospital May 15th 1864.
& of the time since that date, he has been unable
to walk, even in his room.

He is very much debilitated.

In consequence of the above-named facts,
he is, in my opinion, Entirely unfit for further
duty in the field, but not disqualified for service
in the Veteran Reserve Corps.

W. M. Poynter

I am well acquainted with Wm. Jn Poyntz. have been his family physician for the last two year. I saw him soon after he returned from the army. when he was severely afflicted with sore mouth of a severe character and which I have prescribed for from time to time ever since. he has also been afflicted in his back at time so severely as to be unable to walk or stand a time without great pain. for which affliction I have also prescribed at sundry times during the last two years. He is also afflicted with Corns upon his feet which render him unable to walk with any ease or Comfort to himself. Taking the whole Case together I would not think him able to do ordinary work at home much less to do service in the army

the above afflictions have continued with more or less Violence during the last two years

Sworn to by Dr J. J. Ricketts before me this 5th January 1865. And I Certify that Dr Ricketts is a Physician of reputable standing and a man of high character intirely worthy of credence

NOTATION.

Book mark: 8895 A. 1887.

War Department.

Adjutant General's Office,

Washington, Oct. 11 , 1887

This man deserted on or about January 28 , 1863, and returned on or about May 12 , 1863

As he was subsequently restored to duty by SO. 273, Dept. of the Ohio, Cin. O, July 29/63, without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the *charge* of desertion no longer stands against him. The record of the *fact* that he was absent in desertion from on or about January 28, 1863, to on or about May 12 , 1863, cannot, however, be expunged.

This man deserted on ~~or about~~ January 28th, 1863, and returned on ~~or about~~ April 10th, 1863. As he was subsequently restored to duty by S.O. 273 (~~as modified by S.O. 292~~) Dept. Ohio 1863 without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the *charge* of desertion no longer stands against him. The record of the *fact* that he was absent in desertion from ~~on or about~~ January 28th, 1863, to ~~on or about~~ April 10th, 1863, cannot, however, be expunged.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.
